

Gwinnett Senior Golden Games
Virtual Meeting Notes
November 2020

- Refund checks have been received by half of the requests. USPS lost or misplaced 12 checks. Search is underway for payments by USPS. Checks have not cleared the bank. **Update-USPS cannot locate checks and they have been re-issued. As of end of November, 4 checks have cleared for a total of \$195.**
- One additional refund was requested in the amount of \$20, bringing the total amount to \$442.00 in refunds. Check has been issued.
- Recognition and celebration of the life of Bob Giselbach took place. Several ladies attended a dinner for Eileen as a very small gathering of her friends to recognize Bob's efforts with the establishment of the games. Eileen was most appreciative that he was remembered, and the ladies had the opportunity to see her new home in Halcyon.
- JoAnn Hardin and Shirley Snow have received Get Well Cards.
- One of our athletes died tragically in an automobile accident. I have sent a card to his son and will share the name once I have details from Sherman as to follow up for cards and expressions of sympathy.
- Stipend checks have been issued to Richard Porter and Debbie Reid for their services.
- Treasurers report: Balance as of last statement (10/30/2020); \$17,981.46. Remember the bank statements run a month behind.
- COVID continues to take its toll on curbing senior activities in the County. Please take all necessary precautions and keep yourself and loved ones safe. My understanding is the County has hosted a few events for Seniors at Rhodes Jordan Community Recreation Center and Bethesda Park Senior Center. If you are interested in activities contact those locations. The senior centers with Meals on Wheels remain closed.
- If you are in need of food-call 770-822-8840 and they will direct you to the proper person. Food is delivered weekly to seniors and it is free.
- Thanks to Lynn Nickerson and Richard Porter for their continuing efforts during this difficult period!
