

GWINNETT SENIOR GOLDEN GAMES

ROLLEBOLLE

RULES

- Athletes will compete in 5 (five) year age increments and gender.
- Athletes must register at registration table upon arriving at competition.
- Weight of the rolle bolle is based on age/gender of athlete.
- Athlete will consistently utilize same rolle bolle for all games.
- Practice time is available at 9am prior to start of competition.
- Athletes will play 3 to 4 rounds based on registration.
- Partners will be drawn prior to start of each round.
- 3 players per team.
- Total score of 8 wins the round.
- How to score:
 - Closest team to the pin wins the round.
 - Point count is based on the closest number of team members to the pin.
Example. Team A has the closest bolle to the pin. Their team members have the 2 closest bolles to the pin so they score 2 points.
 - Rounds continue until the maximum total is achieved.
- Maximum score of 24 based on 3 rounds.
- Ties result in dual medals awarded.
- Decisions of the event manager are final.
- Medals will be awarded at the end of the competition
