

GWINNETT SENIOR GOLDEN GAMES

SHUFFLEBOARD

Rules

- **Object of game.** Shuffle the disks into the scoring areas without the disks touching any white lines with the **exception** of the white line that divides the 10 off box; that does not count for scoring only to divide the play area.
- **Rules of play.** Players begin at designated court location. Yellow on right and black on the left of court.
- **Direction of play.** Yellow disk player shuffles 4 disks from the right side of the court and score is recorded. Black disk player shuffles from left side of court and score is recorded. Disks are removed after each player shuffles or if the disk lands in the dead zone between the white lines, it is immediately removed. Play continues until all frames are complete by both ends of the court.
- **Players will play 6 frames for a total score.** Total score is entered per athlete per age group based on male or female to determine winners.

- **Format.** 2 players will be assigned to each end of the court. Players may compete with a variety of age groups. Medals will be awarded per age/gender group. **Decision of the scorekeeper is final.**
- **General Court rules.** Players cannot interfere with other players and must remain seated when they are not shuffling.
- **Scoring.** Number of points per frame per individual will be recorded based on location of the disks after the 4 disks are shuffled. Person with the highest score per age group/gender win the designated medals.
- **In the event of a tie, dual medals will be awarded.**
- **Medals will be awarded at the end of the tournament.**
- **Decision of the event manager is final.**
