

Gwinnett Senior Golden Games
Meeting Minutes
May 13, 2009

Today's meeting ended our 10th anniversary Senior Games. It was a happy but sad day for all seniors. Happy, that we were coming together in friendship, but sad because our games have ended for another year.

Bob welcomed all our members and led us in reciting the Pledge of Allegiance to our flag. The minutes of the opening meeting were read and our treasurer gave his report. Our income was \$16,000, expenses \$11,500 and the balance at this time is approximately \$17,000 with a few more deductions to follow.

We had some fun entertainment, Peter Goerissen, a guitarist, and his wife, Sheila, sang. Those of us that knew the words sang along with them. We really enjoyed it; thank you Sheila and Peter for providing the entertainment.

Chris talked about how pleased he was that all the venue managers sent their winners' lists in promptly. That way they were on the web page shortly after the event. Bob made a comment about next year's events. If we don't have a manager for an event by October, we will drop the sport. And if you want to add a sport, you must volunteer to work it. So please make sure to be a volunteer to keep all our sports going.

There were a few more announcements. Please fill out a comment sheet and leave it for us to read. Your comments will help us improve next year's senior games, so let us know how we did this year.

Bob also proudly announced that Gwinnett County Parks and Recreation won an award for being selected as outstanding in the United States. We want to congratulate their team and also thank them for all the help they provided to us to make our senior games so successful.

The last announcement was about getting volunteers for the Dream House in Lilburn, the Main Street Fair. It will be held on Sept. 12th, Saturday from 11-3. There will be face painting, arts and crafts and other fun things to do. If interested in volunteering, call the Dream House.

Bob then said the Invocation and a delicious luncheon was served. We had 3 sandwich choices, chips and desserts. We also had coffee, tea and water throughout the day provided by Life Care of Lawrenceville.

After lunch, Susie presented the door prizes to those with the lucky numbers. We had sixteen \$25 gift cards for restaurants, clothing stores and groceries. Every winner was thrilled with their prize. That ended our program.

Our next meeting will be June 15th to wrap up our Senior Games. Come join us! No meetings in July and August. Our new year will begin with our September meeting.

HAVE A GREAT SUMMER!

Sincerely,

Marie Hickman, Secretary
