

Gwinnett Senior Golden Games
Meeting Minutes
February 8, 2016

Alan called the meeting to order promptly at 10:00 and welcomed everyone. He reminded those with cell phones to please turn them off during the meeting. Glory then said the invocation followed by the pledge of allegiance to our flag. The secretary read the minutes of the last meeting and the treasurer gave her report. Our balance as of today is \$20,014.22.

Our registration forms are starting to come back in. Eileen gave a donations report. It seems like some companies want us to spend more to give us more. I guess they don't believe in saving for a rainy day.

Robin went over our opening meal menu. It sounds like another winner for us. Robin also added that she checked with The Blue Rooster about a sandwich for closing. We will decide at the next meeting.

Glory went over the tee-shirt colors with us. We couldn't get the dark green that we wanted; they were going to charge us double for them, so we are going with a lighter green. It's a popular green.

We talked about the torch and the torchbearer. Alan suggested Mary Luick. We thought that was an excellent choice. Sandi said she will provide the torch or we may have to get a new one if theirs was ruined in the fire.

Does anyone need more registration forms? We have extra if you do.

There were a few minor changes in the Bylaws; Alan went over them.

Bob brought up some new business. The National Senior Games will be in Birmingham 2017. It's a two-week affair and it's the closest one to us in the near future. You must attend the state games which will be held in September at Warner Robins.

There will be an Expo on June 4th from 10-3. A table will be \$20. The money needs to be in by May 2nd.

Our next meeting will be March 21, 2016 at 10:00. We are planning to put the packets together and count the medals right after the meeting

We missed Cleo at the meeting today. Yvonne said he wasn't feeling well. Hurry and get well, Cleo! We want you here with us.

Respectfully submitted,

Marie Hickman, Secretary
