

Gwinnett Senior Golden Games
Meeting Minutes
May 25, 2012

Our Senior Games are coming to a close. We are happy that everyone had a wonderful and fun time and sad that the games are over. Alan welcomed our athletes to the meeting and was pleased how many medals that were given out this year, but anyone that participated is a winner. We started the meeting with the Pledge of Allegiance to our flag, the secretary read the minutes and the treasurer gave her report. An update of the expenses will be given next month at our wrap up meeting.

Our special guest today was Mike Beaudreau, District 3 County Commissioner. Alan thanked him for coming along with the others from the county, especially Tina, Kim, Melissa and Khary helping in any way they can to make this event a great success.

This year we added something new; a slide show starring all the seniors in action. It contains parts of all the sports we had. It was fun watching the seniors competing. It was very enjoyable and went over well with the crowd. We also added another change to the meals. Both meals were hot meals, no sandwiches. After the invocation by Glory everyone was served baked ziti, Caesar salad, cheese bread, cookies or sugar free apple pie with coffee and sweet/unsweetened tea and water. Then came the door prizes. \$25 gift cards which are a favorite among the seniors. Next, was the 50/50 raffle. The prize was \$85. And won by Eileen Giselbach. To our surprise, she donated it back to our senior games.

There were a few announcements. Our next meeting, our wrap up meeting will be June 18th.

Our Asian friends invited us to their event September 9th, in China Town.

Those who had a stamp on the back of their placemat, won the plant on the table.

Again I want to thank all our sponsors and friends that made this event a success .A SPECIAL THANK YOU TO:
